

Hello Fellow Retiree!

We're fast approaching our Springtime luncheon. Keeping with our traditional second Thursday of the third month, that date will be March 13th.

We missed our December luncheon due to unforeseen circumstances and the date snuck up on us. By the time I realized the announcement should be sent, it was too late. I apologize if you remembered the second Thursday schedule and was planning on our Retiree luncheon. Will try to not forget in the future.

As our favorite Santa Paula restaurant has not reopened, we will continue to have our luncheons at Carrows in Ventura. Location on Harbor Drive at Seaward. Ironically, right next to a Chevron station.

Mark your calendar for March 13th, 2014 at 11:30'ish, serving approximately noon. Payment of \$15.00/person payable to CRA and mail to Walt Beil, 11206 Carlos St., Ventura, CA 93004. Choose from items on the luncheon banquet menu at the luncheon.

Dues for 2014 of \$10.00 are now being collected. Please include with luncheon payment.

Hope to see everyone at our luncheon.

Walt
